

Information Station–Truly Outstanding Friendly Service

"Excuse me, where can we find good taste foods?" "Excuse me, what's the local cuisine here?" If you have any questions during your trip in Taiwan, come to the Information Station and start with "Excuse me~" You'll find pleasant surprises!

In order to help travelers have their question answered via friendly Taiwanese-style service, the Taiwan Tourism Bureau has collaborated with friendly stores and service providers to establish "Information Stations" throughout Taiwan.

You can spot any "Information Station" by its yellow circle signboard with black-color letters on it. Besides wall maps and friendly travel information services, the station also has a Wi-Fi hotspot and QR codes that guide visitors to a variety of cloud-based travel services.

Information Stations add "local characteristics" and "hospitality" to your journey. The aim is to create moving experiences that will encourage visitors to come back time after time, so that they can continue to enjoy the beauty of Taiwan and the warm hospitality of her people.

Come on, don't be shy; everyone is invited to make inquiries at the "Information Station"!
