## 55 Heart Gathering

As the frontline of Taiwan's battlefield, Matsu is the most distinctive battlefield landscape. Stronghold 55 is a representative space that transformed the battlefield into a tourism industry after the Civil War between the Kuomintang and the Communist Party. Stronghold 55, also known as Loyalty Fort, was originally a military camp that defended Nangan Island's Jinsha'ao entrance. It was rebuilt as a historical relic. The management team renovated this stronghold. After renovation, the military stronghold was revitalized and given a new name "55 Heart Gathering".
